

Parents Make the Difference

Informational Card Display

NH State PIRC has developed a set of 8 different educational cards (40 of each, 320 in all) that promote parent involvement in children's education. These cards have informational tips on both front and back and take up very little space (approx. 6" X 9" at base). Great for a school's family resource room or PTA meeting room, or other places parents congregate in the school or community.

Each Display Contains the Following Cards:

- Your Child and *No Child Left Behind*
- Talking with Your Child's Teacher
- How to Have Productive IEP Meetings
- Help Your Child Succeed with Homework
- Motivating Your Middle School Reader
- Reading and Writing Skills Begin Early
- Parent Involvement in your Child's Education Really Matters
- Spanish Information Card
